

**American National Standard (ANS) Formal Submittal Checklist**

PLEASE NOTE: This document is used to transmit the final submittal of a candidate American National Standard to ANSI. A standard should only be submitted to ANSI for approval if all of the appropriate evidence of consensus accompanies it in accordance with the *ANSI Essential Requirements: Due process requirements for American National Standards (ANSI Essential Requirements.)* \*NOTE: Adoptions of ISO or IEC standards require compliance with the *ANSI Policy Regarding Rights to Nationally Adopt IEC and ISO Standards or Otherwise Use IEC and ISO Material* and the *ANSI Procedures for the Adoption of ISO and IEC Standards as American National Standards*. Submittal of a standard for approval under the *Stabilized Maintenance* option requires use of a different form. When a BSR-9 is successfully received by ANSI, an acknowledgement is sent to the submitter. If you do not receive one, please contact [psa@ansi.org](mailto:psa@ansi.org).

14. State the applicable numerical requirements for consensus as established in your organization's ANSI-accredited procedures: **Based on BHMA/ANSI procedures; approval of a new standard, revision or reaffirmation of an existing standard, or an addendum to part or all of an existing standard shall require approval by at least a majority of the canvass list and at least two-thirds of those voting, excluding abstentions.**

x Check here to certify that these requirements have been satisfied.

15. Publication: Publication of an ANS is required within 6 months of the date of its approval as such. To request ANSI to provide publication services, please contact the ANSI Publications Department.

16. \_\_\_\_ Check here if statements from patent holders (patent letters of assurance) have been received regarding this proposed ANS. Please attach a copy of all such statements.

17. **Certification Statement: *Please read and confirm compliance before signing and submitting to ANSI.***

I hereby declare the ANSI criteria for approval/withdrawal have been met and that the draft standard was acted on in accordance with section 4.2, Criteria for Approval and Withdrawal of American National Standards of the *ANSI Essential Requirements* and the following criteria and that evidence to this effect is enclosed or otherwise available for inspection:

- That due process requirements were met.
- That the standard is within the scope previously registered with ANSI.
- That any identified significant conflict with another American National Standard was addressed in accordance with the requirements set-forth in the *ANSI Essential Requirements*.
- That other known national standards were examined with regard to harmonization and duplication of content; if duplication exists, there is a compelling need for the standard.
- That objectors have been notified in writing of their right to appeal to the standards developer and that all appeals to the standards developer were completed.
- That any known unresolved objection as defined in the *ANSI Essential Requirements* to the approval/withdrawal of this standard as an American National Standard is documented herein.
- That no substantive changes have been made in the draft standard as listed in *Standards Action*.
- That we agree to comply fully with the *ANSI Patent Policy*.
- That we agree to comply with the *Commercial Terms and Conditions* provision contained in the *ANSI Essential Requirements*.

I agree that the evidence supporting any statement in this submittal or its attachments may be verified at any time through inspection or audit by the American National Standards Institute, either on its own initiative or upon appeal or request by any substantially concerned party. Reasonable requests for specific information that we receive directly from substantially concerned parties will be honored.

If it develops that misstatements of fact have been made in connection with this submittal, I understand that the standard in question is subject to withdrawal with appropriate public notice with reasons therefor. Furthermore, I understand that our organization may be subject to disqualification for a period of time or withdrawal of accreditation for improper submission of a standard to the Board of Standards Review.

Our organization agrees to maintain the American National Standard by reaffirmation, revision, or withdrawal within five years of the date of ANSI approval.
