A156.27 for Revolving Doors October 3, 2018 Web Conference

Attendees

Paul Durgin, dormakaba	Len Pursell, Stanley
Jeff Dunham, BEA	Dave Timmerman, ASSA ABLOY
Refugio Guadalajara, Optex	John Cringole, Horton
Michael Tierney, BHMA	

The meeting was called to order at 11:03 a.m. by subcommittee chairman Len Pursell; the minutes from the September 12, 2018 meeting were approved as written.

Dave Timmerman proposed re-arranged Tables 1, 2 and 3 for consideration. After much scrutiny of the values, and comparisons of the tables within the standard, it was decided to use Dave's tables, and also correct values in Section 8.2 to be provided by John Cringole.

In Section 5, increased maximum width to 24 feet and updated table accordingly and proposed by Dave Timmerman.

At the next meeting, will finalize Jeff Dunham's signage Appendix note.

The next and final meeting will be held at the BHMA Fall Meeting on October 11.

The meeting was adjourned at 12:47 p.m.
